## IMPORTANT ACCOUNT INFORMATION

The following provisions are being added to the Business Account Agreement and the Selected Terms and Conditions for Wells Fargo Business Debit Cards, Business ATM Cards and Business Deposit Cards (each, an "Agreement") to clarify the use of a Business Debit Card through a mobile device.

### Using your Business Debit Card through a Mobile Device

If you make Card transactions through a Mobile Device using a Business Debit Card, the terms of the Agreement apply with the same effect and coverage, including (i) any limitations the Bank places on the frequency or dollar amount of your Card transactions; and (ii) your rights and responsibilities for unauthorized transactions.

As used in this Agreement, "Mobile Device" means a smartphone, tablet, or any other hand held or wearable communication device that allows you to electronically store or electronically present your Card or Card number ("Electronic Card Information") and use that Electronic Card Information to make Card transactions.

If you use your Card through a Mobile Device, you should secure the Mobile Device the same as you would your cash, checks, credit cards, and other valuable information. The Bank encourages you to password protect or lock your Mobile Device to help prevent an unauthorized person from using it. Please notify the Bank promptly if your Mobile Device containing Electronic Card Information is lost.
